Lismore Lantern Parade 2013

Saturday night was one of magic and celebration. Well done to Ms Sharpe and the drama students who have been working all term on creating a light spectacular through masks and wands. The weather was perfect, the crowd was massive and the students excited. We were the only high school represented on the night, and thanks must go to Miss Gray, Miss Gould and Mrs Denley for stepping in for Ms Sharpe in her absence. If you haven't been to a Lantern Parade as yet I urge you to think about it next year. To view full coloured images visit our website.

Ms Peisto

SAVE THE DATE

Our major fundraiser for this year will be a ‘Back to School’ Trivia Night with Comedian Mandy Nolan as MC. The funds raised will be used to set up a Leadership Fund within the school that can be accessed by students to take part in creative, cultural, academic and sporting activities. This is a community event to enable our youth to reach their full potential. Parents, businesses and the wider community are warmly invited to join us in a night of fun. Mark the calendar for Friday 6th September at 6.30pm! More details next term.

Mrs Sue Landers – Community Liaison Officer

Kyogle Interactive Development

Also known as KID, is a program developed and initiated by passionate Year 11 students to develop unity throughout the school. We as leaders devote a morning each week, mentoring our peers on various issues through discussion and activities. KID is run solely by student leaders, evaluated during meetings and altered when the need arises. Our goal is to achieve unity between all students by helping ‘build a bridge’ for communication, connectedness and teamwork.

**PRINCIPAL’S REPORT**

It is hard to believe that we have completed another term. Year 12 are finishing their Trial Exams while Year 11 are thinking about falling snow and whether to nominate for school captain or leadership positions.

I would like to thank all the staff and students of Kyogle High School for their patience in allowing the Capital Works to be completed. Term 4 should see a few tiny details being addressed but all in all, a beautiful quad with surrounding facilities. Woolamms have been terrific as have the enormous number of trades coming on site to help us.

Thank you to our canteen volunteers and Faye and Deb who have supported students, staff and workmen over the course of the term.

Thank you to the parents and carers who continue to support us and our students achieving their personal best. We have had conversations that celebrate, commiserate, challenge and console and we stand as a community committed to each and every student at Kyogle High School.

Thank you to our local businesses for supporting us with Work Experience and Work Placement, Industry visits and Sponsorship.

Last week students were handed a letter of standing consent concerning principal approved research projects that may occur during the year in the school. These letters were handed out during Roll Call and need to be signed and handed back to the school. Your assistance in this matter would be appreciated.

Congratulations to staff and students for wonderful events held to celebrate Naidoc Week. It is a significant event in the school and community calendar.

It was terrific to see our students at the Lantern Parade in Lismore showcasing drama and the creative talent of our kids.

Have a great, safe and happy holiday.

*Mrs Janeen Silcock*  
Principal

**From the Deputy's Desk**

As the term draws to an end, I have taken the opportunity to reflect on what has been a busy term and think about what makes this such a great school.

Great schools are not just bricks and mortar but places that are great because of the people in them. At Kyogle High School we have great people. We have staff who, each and every day engage their students in meaningful lessons, who take excursions, coach sporting teams, teacher after school extension classes, supervise at school socials, write reports, mark assessments, make contact with parents through letters, telephone conversations and interviews, take the time for professional development.

We have students who really exemplify our mantra ‘Here to Learn, Here to lead’. Students who attend school everyday, engage in their lessons, who serve on the SRC and are excellent senior students leaders. We have students who care about the environment and issues that affect us all on a global scale. We have students who experience academic success, students who excel in the sporting arena and students who simply do their best each and every day.

Kyogle High School has outstanding support staff from the Front Office to Science and TAS through to the Library and Ag Farm and SLSO’s. Our cleaners and General Assistant take personal pride in the presentation of our school.

Our parents, through their ongoing support, contribute to making our school great, whether it be working in the canteen, being on the P&C, driving students on excursions, contacting the school by phone, letter or email, attending parent/teacher afternoons or simply by telling us when we have done a good job.

Schools don’t just happen. They are the culmination of cooperation. We have this at Kyogle High School and together we will continue to build on our ‘Here to Learn, Here to Lead’ mantra.

Have a safe and happy semester break.

*Mrs Gae Masters*  
Deputy Principal

**Reminder from the Office**

You can pay your school fees by Direct Credit: Kyogle High School  
BSB: 032001 Account No: 154403  
If you are paying this way please make a payment for each individual student with their name included.  
It is very important to advise the school by email or phone that the payment has been made so this can be checked on our records.

We are hoping to get accounts for fees out early in Term 3.

**Year 11 Snow Trip Reminder**

Full payment for snow trip must be completed by the end of Week 3 Term 3 (2nd August 2013). All students must be completely paid for, before they can go on this excursion.

---

**KYOGLE CINEMA**

For entertainment during the holidays check out the [www.kyoglecinema.com.au](http://www.kyoglecinema.com.au) for movie times.
KID cont. from pg 1
We also focus on topics such as bullying and discrimination. We believe that addressing these topics amongst others will help foster a positive learning environment throughout the school and allow students to achieve to their full potential during their secondary education.
We would like to thank Miss Peisto for her support and the school for believing in this program.

Great app for your student
Get Happy iPhone/iPod App
Ways to increase your happiness created by Dr Lisa Patterson-Kane $0.99 – Category: Health and Fitness (available through apple app store and iTunes)
Would you like a simple way to increase your happiness? This app can help!
Features include:
✓ Learn skills to effectively deal with painful thoughts and feelings and provide clarity about what is really important in your life. This knowledge will guide, inspire and motivate you to make changes for a better life.
✓ You will receive a tip every day as a notification, similar to having a clinical psychologist nudge you in the right direction for raising your personal happiness. When you open this notification the daily tip is automatically updated. It is important to notes that the daily tip on the main screen will not update unless you open the notification.
✓ The tips are organised based upon four pillars of happiness: relationships, leisure, personal growth and work and education.
✓ A feature is a self-rating system that prioritises daily tips based upon the areas in your life most in need of improvement.
✓ Get Happy provides psychological strategies in a portable and accessible way, perfect for even the busiest individuals.

Get Happy was designed by a practicing clinical psychologist to deliver simple and effective daily tips. Because it is evidence-based advice, Get Happy’s tips are both relevant and highly actionable.

Disclaimer: The content of this application is for your information only. It is not a substitute for professional advice and should not be used as a standalone treatment for psychiatric or medical professional. Please consult your healthcare provider.

P&O Uniform Shop
Open Wednesdays
8.30 am to 9.30am

Jumpers $20.00
Jackets $35.00
Please ensure your child has a school jumper for the cooler weather.

The Canteen is always looking for more volunteers. If you can help out please phone Faye Rose (Canteen Supervisor) on 6632 1300.

Canteen AGM Thursday 18/7/13 at 5pm prior to P&C Meeting—all positions declared open

Sport News

CHS Open Boys Tennis
Congratulations to our Open Boys Tennis team consisting of Jake Barlow, Jared Flower, Austin Crawter and Miles Brown, for representing KHS in Round 4 State CHS Tennis. The team had to travel to Tweed Heads last Thursday to play against Tweed River High. Although the four boys did not win, they did match their opponents at times with outstanding tennis ability. The boys are now knocked out of the competition and will try again for the CHS title next year.

Zone Athletics
Congratulations to all the students who represented KHS at the Zone Athletics Carnival last Friday. Athletes were expected to endure very difficult circumstances, including cold temperatures, persistent rain and wet surfaces. Overall the day was a huge success with a number of students qualifying for the Regional Carnival. Permission notes will be distributed this week for those students advancing. Thank you to all staff and parents who assisted on the day.

Weekly Sport
All students wishing to change their Wednesday sport selection may do so this week. Please see Mr Rasborsek by this Thursday to make your changes. Sport changes will be closed from this Friday onwards. If you wish to remain in your current sport, then you will be automatically rolled over into it for next term – you do not have to see Mr Rasborsek for this to occur.

Work Opportunities for Women
WOW at Kyogle
Certificate I in Access to Work and Training
Attendance: Part time, 7 hours per week.

This free course will suit women who have been out of work for some time, or did not complete their secondary education and who would like to gain skills for returning to study and work in a friendly supportive environment.
To enrol: Please complete an Expression of Interest form available from Nicola Mercer, Grove House, Kyogle (02) 66322473.
