ATHLETICS CARNIVAL
A GREAT DAY OUT
PRINCIPAL'S REPORT
Happy Mother’s Day for last week to all our mothers, grandmothers and great grandmothers. I hope you had a lovely day.

Year 7 had a wonderful excursion to Coffs Harbour last week. They participated in a number of activities and were supported by Dave Stewart, Rebecca O’Meara and Adam Deszecsar. I am sure they will have many memories that will be retold over the next few years of schooling at Kyogle High School.

Congratulations to all Year 11 who completed their Half Yearly exams last week.

Congratulations to Austin Crawter who began the Thursday lunch time inter-house sport competition. All four houses participated in a soccer match. Students were enthusiastic and played in the spirit of a friendly competition.

This week we have Year 7 and Year 9 completing the NAPLAN tests. Thanks to Jenny Densley for her organisation and leadership of this event.

Year 10 students are involved in Work Experience this week. This allows them to have a small taste of working life and begin to consolidate ideas about future careers. Thanks to our Careers Advisor, Christine Riesinger, for her organisation and to the staff who will be supporting students. A huge thanks to the businesses and other groups in the community who allow our students to become part of their world for a week. It is a highly valued educational activity that could not happen without community support.

Kyogle High School is involved in a Financial Audit and a Work, Health and Safety Audit on Tuesday and Wednesday and we have Edwina McCoy from the Board of Studies delivering a workshop to staff to ensure we are compliant with the awarding of Preliminary and HSC courses.

We were to have a P & C Meeting on Thursday at 5.30pm, but the Women’s Movie Night clashed with this so the P & C meeting has been postponed until the 22 May 2014 at 5.30pm in the staff common room. I hope you can attend.

Have a great week.

Mrs Janeen Silcock
Principal

**Seen by over 70 million people, Disney’s landmark musical event THE LION KING is a worldwide phenomenon that will redefine your expectations of theatre.**

Brilliantly re-imagined by acclaimed director Julie Taymor, Disney’s beloved film is transformed into a spectacular theatrical experience which has won over 70 major international theatre awards. Set against the majesty of the Serengeti Plains this breathtaking production explodes with glorious colours, stunning effects and unforgettable music including Elton John and Tim Rice’s *Circle of Life*, *Hakuna Matata* and the Academy Award winning *Can You Feel The Love Tonight?* At its heart is the powerful and moving story of Simba, the wide-eyed cub who undertakes an epic journey to fulfilling his destiny as King of the Pridelands.

Kyogle High has been fortunate to secure 50 tickets to this sold out production on the 8th October 2014 at Queensland Performing Arts Centre, Brisbane. Permission notes will be handed out to interested students from Wednesday 14th May. Tickets will be in high demand as this excursion is open to the whole school. Due to limited tickets they will be issued on a first in basis. The cost will be $70 which includes return bus to Brisbane and entry to the theatre.

Drama/English Teacher

**Come and ... DISCOVER ENGINEERING - Information Evening**

The Northern Rivers Group of Engineers Australia would like to invite you to an information evening of ‘Discover Engineering’.

The evening aims to build the profile of engineering as a career choice amongst school students, teachers and parents as well as build the awareness of engineering within the community.

Students are invited to come along and hear some of the many ways engineers influence our everyday lives and hear how to achieve a rewarding career in engineering.

Areas to be addressed include:
* Why be an Engineer?
* What do Engineers do?
* How do you become an Engineer?

This **FREE** forum is for all students in Years 9, 10, 11 & 12 and will be held on **Thursday 26th June 2014** at Ballina Surf Club, Lighthouse Parade, East Ballina from 6.30pm - 8.00pm.

---

**Wk 3 FOCUS-No Phones, I-pods, or Electronic Devices in Class**

- Kyogle High School does not allow the use of mobile phones, I pods, musical devices, personal technology devices or any electronic games in the learning spaces of students.

Head to the school’s website for more on this focus.
Laurie Moore grew up in Kyogle with his secondary education at Kyogle High School. He taught Science in high schools and earth sciences at Macquarie University. Laurie and his wife Denise, visited and presented “The True Story Of Jimmy Governor” - a book Laurie co-authored with Stephen Williams. It is great having ex-students call in.

Principal

Maths Puzzles
This term **House Points** are awarded to those who hand in a worthy attempt. Of course we still have canteen vouchers for the correct answers drawn from a hat, Wednesday lunchtime and end of term Puzzle Party. Last term’s Party was a success with some students throwing some curly puzzles my way. All attempts can be handed in to the Maths Staffroom by lunch 1, Wednesday.

**Junior Secondary**

Draw the figure in one continuous line
Take a pencil and duplicate the figure in a continuous line. The pencil can’t leave the paper while finishing the figure. The line should not go over any other part of the line.

**Senior Secondary**
Can you find the Fault in the proof?
Below we prove that 2=1:
Suppose that \( x = y \):
\[
2x - x = 2y - y
\]
This we can rewrite to:
\[
2x - 2y = x - y
\]
This we can rewrite to:
\[
2(x - y) = x - y
\]
If we now divide by \( x - y \), we get:
\[
2 = 1
\]

Accountancy Traineeships
WCA chartered accountants with offices based in Lismore and Ballina. We are pleased to offer traineeships to locally based, motivated and career orientated Year 12 school leavers with a number of positions available starting February 2014.
Any queries you can contact our Careers Advisor, Ms Riesinger or Tony Bazzana, Partner, at WCA Chartered Accountants on 66212581 or via email tbazzana@wcagroup.com.au

**P&C Uniform Shop**
