Kyogle High Outshines the Lismore Lantern Parade

A few drops of rain could not hamper the excitement held by 40 students as we marched through the streets of Lismore proudly holding ‘Crackles’ the space dragon which had taken 8 weeks to formulate and construct. Along with our Drama students, the Kyogle Band led by Mr O’Keefe played an assortment of original music that has us dancing in the streets. The crowd roared and cheered, as we passed by with many of our students receiving ‘high fives’ from the children in the crowd. Following the parade the drama students participated in the ‘Firey Finale’ in front of a crowd of 6000 people. It will certainly be a night to remember for our students. Thank you to all parents who supported this event.

Principal's Report

The Term is at an end. We have completed Trial HSC in the last fortnight, played football, attended performances, been immunised, completed reports and held a Boy’s Day. We celebrate our academic achievers as well as our performers, our Aboriginal community and our part in this community.

This term Trent Boyd will finish up as the Technical Support Officer for the Laptops. The program funding has come to an end across the State. We thank Trent for his work and wish him all the best in the future. Sandy Kelly is also having some time off and we wish her the best. Shelly Edmunds will be relieving in her position.

Congratulations to Nicole Peisto and Trevor on the birth of a little girl, Sibella. I am sure that Maximus will enjoy his new little sister.

Thank you to Susan Tulloch for her work on the Hospitality Audit. It is important that we continue to meet the standards and hold the Australian Qualification for delivery of this subject in our school.

Thank you to Bobbie Sharpe and her many helpers and support crew for the sensational display of Kyogle High School at the Lantern Parade. It is becoming one of the highlights on our school calendar.

This week students in Year 7 K and 7 H should all have a letter with their new classes and timetables attached.

Karen Slater is doing great business with the new school jackets. They cost $40.00 and look great. Please support our P&C with this purchase on Wednesday mornings at the school.

Have a safe and restful holiday.

Mrs Janeen Silcock
Principal

From the Deputy’s Desk

This week Kyogle High School celebrated NAIDOC Week. On Monday our Aboriginal students and the SRC were present for the Aboriginal flag raising ceremony where students heard about the reason we celebrate this week as well as the significance of the theme for 2014 Serving Country—Centenary and Beyond. On Tuesday our students had the opportunity to help with celebrations at Kyogle Public School where they participated in various activities including face painting and storytelling. On Wednesday Kyogle High School hosted the 3rd Annual Reconciliation Awards with special guests Dean Widders and Tami Chadderton. All students had the opportunity to vote for Indigenous and Non Indigenous students who have contributed to building friendships between all our students and these students were recognised with a certificate and a boomerang. The Githabul Rangers sponsored a BBQ lunch for the whole school following the Assembly. On Thursday our Indigenous students went on an excursion to Iron Pot Creek with the Githabul Rangers to better understand links to country. A very special thank you to Jodi Davies for her organization and passion to ensure that we all experienced what NAIDOC Week means to Australians today.

I wish all our students a great holiday break and I look forward to Term 3.

Mrs Gae Masters
Deputy Principal

Week 8 & 9 FOCUS - Self Discipline and Canteen

Kyogle High School students have self control, are self reliant and independent. We stay on task; work towards personal goals and choose productive rather than destructive activities.

We are patient and listen to the instructions of the canteen staff/teachers; use our manners; line up correctly and respect the personal space and property of others.
Sport Report

Northern Rivers Zone Athletics
Last Friday, the Northern Rivers Zone Athletics Carnival was held in Lismore at Riverview Park in fine weather. Around 43 students represented Kyogle High School at the carnival in various events. There were a number of stand-out performances from the school, in particular was Marty Ferguson's record throwing distance 43.67m in the Open Boys Discus event, James McPaul’s win in the 15 years boys 100m track event in a blistering 11.62 second time, Samuel Walters record breaking throw in the 14 years boys discus throw and the stand out performances from Shania Porter, Mikailah Piggott and Carleta Owen in their individual track event results. There are a number of students who will now progress onto the next level. The Regional carnival is set for 1st August at Coffs Harbour. Information regarding this meet will be distributed soon to the successful students. A huge congratulations to all students who participated on the day. Mr Brad Rasborsek

Kyogle High Sports Star

Name: Bailey Davis  Year: 10  Sport: Motocross

Why Bailey is a Kyogle High Sports Star
Bailey is currently ranked 4th at the Queensland Titles in the 14-16 Years age division. He also achieved a 2nd placing at the Go-Girls Championships (which is the largest competitive event in Queensland). Bailey is also ranked as a professional motocross competitor in Australia for his age group and is sponsored by a range of businesses and organisations such as: McLeods MX, Spent Clothing, Yamaha, Caltex, DMM and MPE Suspension.

Motocross is widely considered to be the world’s most popular form of motorcycle racing. Motocross tracks are usually made up of hills, dirt roads, and muddy tracks and turns. In motocross, professional races are measured by time. A professional race usually lasts for 30 minutes. It is a touch, fast paced sport that requires a high degree of skill and fitness to compete in. Bailey kindly took some time out to answer a few of our questions.

How much training do you complete each week in order to be at a competitive level in motocross?
I train 5 days a week at around 1.5 hours each time. It mainly consists of practicing on my bike.

When did you start racing in the sport?
I started racing 5 years ago competitively. My first motocross ride was actually when I was only 3 years of age on a Pee-Wee 80.

Do you have to watch what you eat?
Yes I do. I have to make sure that I eat a healthy balanced diet in order to stay in shape.

What are your future goals in the sport?
I really want to make enough money from motocross to turn it into a living. Eventually I would like to be an Australian champion in motocross.

BILLYCARTBUILDING WORKSHOP
To help everyone get started with their billycart projects, we will be holding a billycart building workshop.

When: Saturday the 12th July—1pm-4pm
Where: Gateway Presbyterian Church (Cnr Groom and Stratheden St)
Cost: NIL

Bring: Any wheels/axles you might have as we will be teaching you how to do a wheel/axle assembly. Please also bring your ideas or any materials that you would like to use in making your billycart, and we will do our best to give you advice on how to make it work.

Plus: afternoon tea provided!
ONWARD AND UPWARD!

On Wednesday 18th of June Year 7 and Year 8 of our school had the opportunity to watch a very fast paced and entertaining production called “Onward and Upward”. The production was brought to our school by the “Bridges to Higher Learning” group of universities in Sydney. The production took students through many of the options available to them after they leave school. The actors got students to think about how they learn best to help work out subject choices that they will enjoy and do well in.

Maths Puzzles Week 9
Daniel Williams was last week’s winner(8, 24, 8)

Question 1
I have a chocolate bar with grooves in it. The grooves divide into a 3 by 6 pattern. I want to divide this into 18 pieces, but the chocolate is thick enough to break a single piece at a time. What is the least number of breaks I have to make?

Question 2
Which number should replace the question mark?

REMINDER
House teams will be entering the Billycart Bonanza on September 7th. Start collecting your wheels, timber and any other bits and bobs that you may require to build your Billycart. See Josh Cox for more details
