Anzac Day Commemorations

Many Australians have eagerly anticipated Anzac Day 2015 as an opportunity to acknowledge the 100th anniversary of the Gallipoli landings and give due respect to the sacrifices of service men and women during that campaign, and the many that have followed over the past 100 years. This was certainly the case for the many Kyogle High School students who took part in both the school service on Friday 24 April and the Kyogle services on Anzac Day itself.

Our school’s commemoration of Anzac Day began with a special assembly last Friday morning coordinated by Mr Jason McKee who is a passionate teacher of History. I was extremely proud of the dignity and respect with which our entire school community participated in this assembly, which certainly set the tone for the coming weekend. The performances by our Drama students, the poetry readings by Year 9 and the National Anthem sung by Maricar, Leisl and Emmaline were all moving tributes.

I wish to thank the representatives of the RSL, Legacy and Red Cross and Mrs Danielle Mulholland, our Mayor, for their attendance and speeches and the staff and students who assisted Mr McKee in the organisation and the running of the assembly.

It was with great pleasure that I attended the Dawn Service at 5:30am. Our School Captains, Kieren Clarke and Karlie Harris along with our Vice Captain Noah Winnel-Wallace, demonstrated their qualities as leaders by playing key roles in the Dawn Service.

It was also great to see a large number of Kyogle High School students and staff taking part in the march along Summerland Way for the main ceremony of the day at 10:30am. It demonstrated pride in both school and community as well as respect for the soldiers who have fought in campaigns over the last 100 years. Both our Captains Karlie and Kieren and our Vice Captains Holly and Noah participated in the wreath laying at the Cenotaph following the official ceremony in the Memorial Hall where Maricar and Leisl led the audience in the National Anthem.

NAPLAN

NAPLAN will run during Week 4 for Years 7 and 9. The timetable for the testing was posted home last term. If you have any questions regarding NAPLAN please do not hesitate to contact the coordinator, Mrs Jenny Densley. A reminder that all students will need a calculator for the numeracy component of the test and that mobile phones cannot be used as a substitute.

Extreme Weather Conditions

The Northern Rivers from time to time experiences extreme weather conditions which affects normal operation of school buses. Please contact your local bus service if you are concerned about rising rivers or creeks as buses do not pick up in the morning if there is a strong possibility they will not be able collect students from school and take them home as per the regular bus run.

It is anticipated that Kyogle may receive 200mm in the next 24 hours with higher precipitation in other local areas. Please discuss with your student alternative arrangements in the event buses either do not pick up in the morning or are unable to collect students from school in the afternoon.
